2. At division headquarters three stamps are in use, those marked "I" indicate unit commands, those marked "II" indicate the quartermaster section and those marked "III" indicate the staff command. All march and travel orders, including those for cars, bear the "III" stamp.
3. The reconnaissance battalion is also in the Danuvia building. It is commanded by 1st Lt. Tóth, and his deputy is 1st Lt. Kiss.
4. The antitank and antiaircraft battalions of the division are in the Honvéd Barracks in Veszprém, at Bajcsy-Zsillinsky ut 1.
5. The divisional Instruction Company is located near three infantry regiments and one artillery regiment of the division at barracks in Jutas. The strength of this company is 350 to 400 men. The big new three-storied building in which this unit is housed had to be evacuated by the troops, as large cracks developed in the walls, and it was feared a strong wind would bring it down.
